Biology C

Responsibilities and achievements

Placement year , Mixd, 2016 - 2017

I spent 11 months on a working placement with Mixd - a Web Design agency based in Leeds. This was between my second and third year of University, after being put forward by my Web Development tutor. They invited me back on a part-time basis while completing my degree from 2017-2018.

Course Representative , Leeds Beckett, 2014 - 2015

I was elected as a representative of my course, representing the students to the course directors and University administration. I was asked by the course director to speak on behalf of the students in a course revalidation process.

Technical skills

Environments Mac OS, iOS (iPhone, iPad and Macbook), Microsoft Windows

Productivity iWork, Microsoft Office, Google Apps

Creative Adobe CC (Photoshop, Illustrator, InDesign, Premier Pro, AE)

Sketch, Affinity (Designer, Photo), inVision

Development Sublime, iTerm, Git, Visual Studio Code. HTML/CSS/JS/PHP

Interests

I enjoy both watching and playing **sport**, including football and swimming. At home, I enjoy watching **films**, listening to **music** and **cooking** is a recent passion of mine.

Technology has always been a keen interest of mine; **using** it, **creating** with it and **playing** with it.
